

HAITI APPEAL

On Tuesday 12th January 2010, an **earthquake** of magnitude 7.0 struck the capital of Haiti, Port-au-Prince causing massive damage and loss of life. Estimates suggest that upto **50,000 people** may have perished. Many people are homeless and destitute.

Humanity First's team is working with local Haitian authorities on the island. We urgently need funds for supplies to support emergency **medical assistance, shelter and blankets, essential supplies and warm meals. PLEASE DONATE NOW.**
